4. Whole Group Instruction - Website Authenticity
5. Guided Practice

LEARNING OBJECTIVE

I will be able to use key words
and identify authentic
websites.

Is It Real, or Is It Fake?

Reality: A staged shot taken by a photographer in Saudi Arabia as part of a conceptual art project. The graves were fake, and the boy was the photographer's nephew. When the photographer realized that the photo was being misunderstood, he uploaded more photos showing other shots of his nephew during the photoshoot, to demonstrate that the scene was a staged art project.

Is It Real or Fake?

The image is the creation of artist/photographer [Paul Santa Maria](#) who took a photo of a normalized wolf spider outside his Florida home and used Photoshop to expand it to gigantic proportions. "Angolan Witch Spider" is a creative name, but there is no such species in reality.

Is It Real or Is It Fake?

This is Matthias Schlitte and he has an arm that would put "Hellboy" to shame. His huge arm is not the result of lifting weights in the gym and is actually the result of a genetic defect that made his arm 33% larger than his left one.

DO NOW

What is the difference
between quoting and
paraphrasing?

Objective

I will be able to
paraphrase text.

Steps to Effective Paraphrasing

1. Reread the original passage until you understand its full meaning.
2. Set the original aside, and write your paraphrase.
3. Check your paraphrase with the original to make sure that your version accurately expresses all the essential information in a new form.
4. Use quotation marks to identify any unique term or phrases you have borrowed exactly from the source.

Teacher Model

The twenties were the years when drinking was against the law, and the law was a bad joke because everyone knew of a local bar where liquor could be had. They were the years when organized crime ruled the cities, and the police seemed powerless to do anything against it. Classical music was forgotten while jazz spread throughout the land, and men like Bix Beiderbecke, Louis Armstrong, and Count Basie became the heroes of the young. The flapper was born in the twenties, and with her bobbed hair and short skirts, she symbolized, perhaps more than anyone or anything else, America's break with the past.
